

Crystal Vin

Luxury Wine Treatment

Crystal Vin is a time saving solution to enhance the flavor of your wine! Just by pouring your wine through Crystal Vin can stimulate the reaction of wine with air, releasing its full range of aromas. The wine results with a smoother finish and more enjoyable.

Crystal Vin is designed with a large reservoir that makes aerating a snap and allows air mixing through the air channel openings.

Using Crystal Vin together with a decanter can further accelerate the aerating process. Giving you an extraordinary and remarkable experience.

The rubber finishing holder provides wine lovers a comfortable and non-slip gripping. Each Crystal Vin comes with a no-drip base and dishwasher safe.

Available in black and burgundy.
